Summary

Hi, I'm Nijat. I am 21 years old, I live in Baku. I am a person who is precise, flexible and eager to work with a team. I coped with the tasks given to me at a high level. I am confident that I will use all my skills and experience effectively for the position I will be working on.

Achievements & Certificates

Code Academy - Software Development   2022-2023

I've graduated the Code Academy with diploma. Code Academy has been a huge gain for me. Therefore, I owe a lot to the learning environment and my teachers. The knowledge I learned here will be with me for the rest of my working life.
